Fundraising Made Easy!

Sweet Poppin's™ offers organizations two convenient fundraising opportunities. All you have to do is decide which one is right for your group.

Select our **traditional fundraiser** where your group will receive individual fundraising order forms to take orders, collect money, and return completed orders by a designated date decided by you and our fundraising coordinator. Your order will be processed and delivered within approximately two weeks or less.

Traditional Fundraiser Benefits

- Each person will have the opportunity to participate.
- Customers can choose from our 5 most popular flavor combinations.
- No physical inventory your participants have to be accountable for or carry.
- A convenient reconciliation excel spreadsheet is provided to your fundraising coordinator to compile all orders into one to avoid lost order forms.
- You will have an idea how well your group has done immediately once all order forms have been returned.

Select our convenient **voucher fundraiser*** where your group will receive a supply of vouchers to pass out to prospective supporters. Your group will select a particular timeframe in which supporters should make a purchase at our Sweet Poppin's retail store located at **107 E Sycamore** or make a purchase online at **www.sweetpoppins.com** to receive credit towards your fundraiser. A fundraiser code will be assigned to your group to ensure online orders are credited to the group. Your participants will need to instruct supporters to make their purchase by the deadline in order for the group to receive credit.

Voucher Fundraiser Benefits

- No more lost order forms.
- No need to collect money.
- No more delivering customer orders.
- No more boundaries. Sales can cross state lines by ordering online. Be sure to tell supporters to enter your fundraiser code to receive credit!
- Supporters have more than 30 flavors to choose from when they visit the Sweet Poppin's retail location.
